

Humidor

This solid-wood, natural Cherry humidor is lined with Spanish Cedar. The lid was designed to resemble the rooftops of Far Eastern temples. The piece is 13.75" x 10.5" x 14.5" in size, and will accommodate approximately 80 cigars. The case rests on a delicate base structure, 17.5" high, which brings the overall height to 32."

In addition to its Far Eastern inspiration, the humidor's design was inspired by the work of Frank Lloyd Wright.
